

Volunteer Photo Release

EGFBS occasionally captures photos of volunteers and staff on site during volunteer hours to use for publications, outreach and fundraising. It is important to share the amazing work of our volunteer with supporters, potential volunteers and prospective clients.

As a volunteer, we ask that you agree to the following photo release guidelines:

- Give consent for and release photographs and/or video taken of volunteers for the purpose of promotion or advertisement.
- Release EGFBS, its officers, directors and employees from any and all liability arising from the use of a volunteers photographic image an/or volunteer's name.
- Volunteers under the age of 18 must have approval from their legal guardians to release their photo.
- This agreement will remain in effect until such time as the volunteer revokes it in writing.
- If you do not agree to the Photo Release, you may still volunteer.
